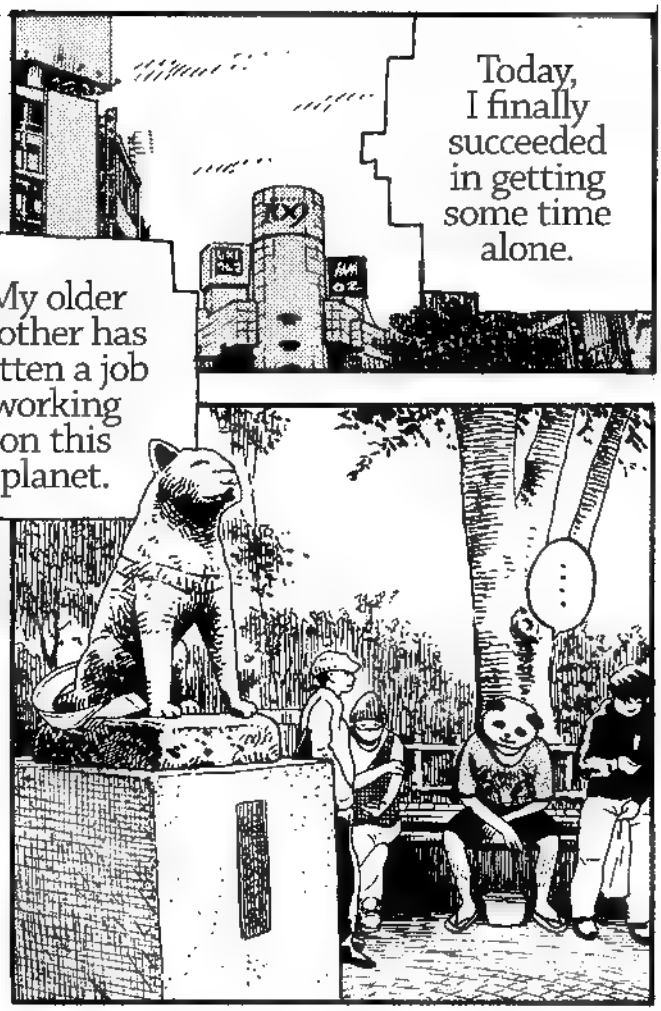
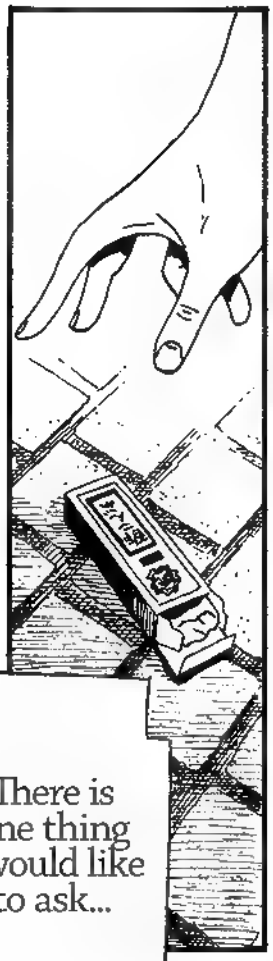
Hello...
and good afternoon, home base.

Too bright...

My older brother has gotten a job working on this planet.
Of course, he cannot do his work properly.

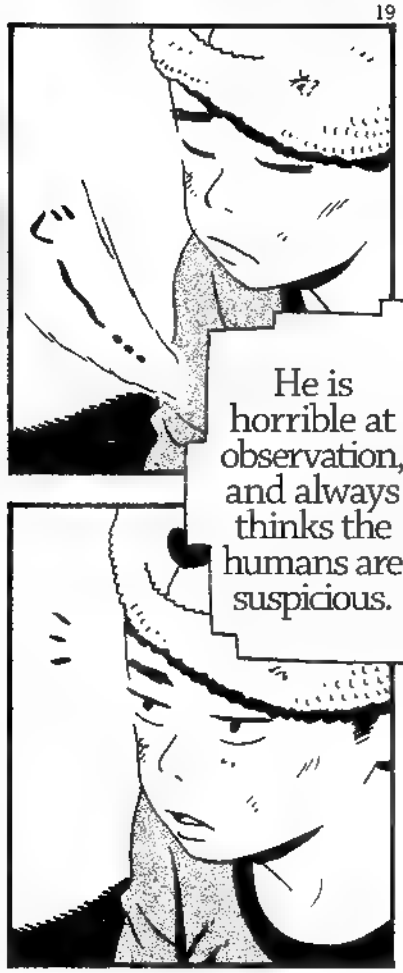


Today, I finally succeeded in getting some time alone.
....



There is one thing I would like to ask...

To be quite honest...
He is no help at all.



He is horrible at observation, and always thinks the humans are suspicious.

ぱっ
Why is it that you sent my brother to this planet?
Oh, there's some left!
!?

EVERYTHING IS SLOWED DOWN...
WH-WHAT IS THIS?
AND I FEEL THIS STRANGE POWER...

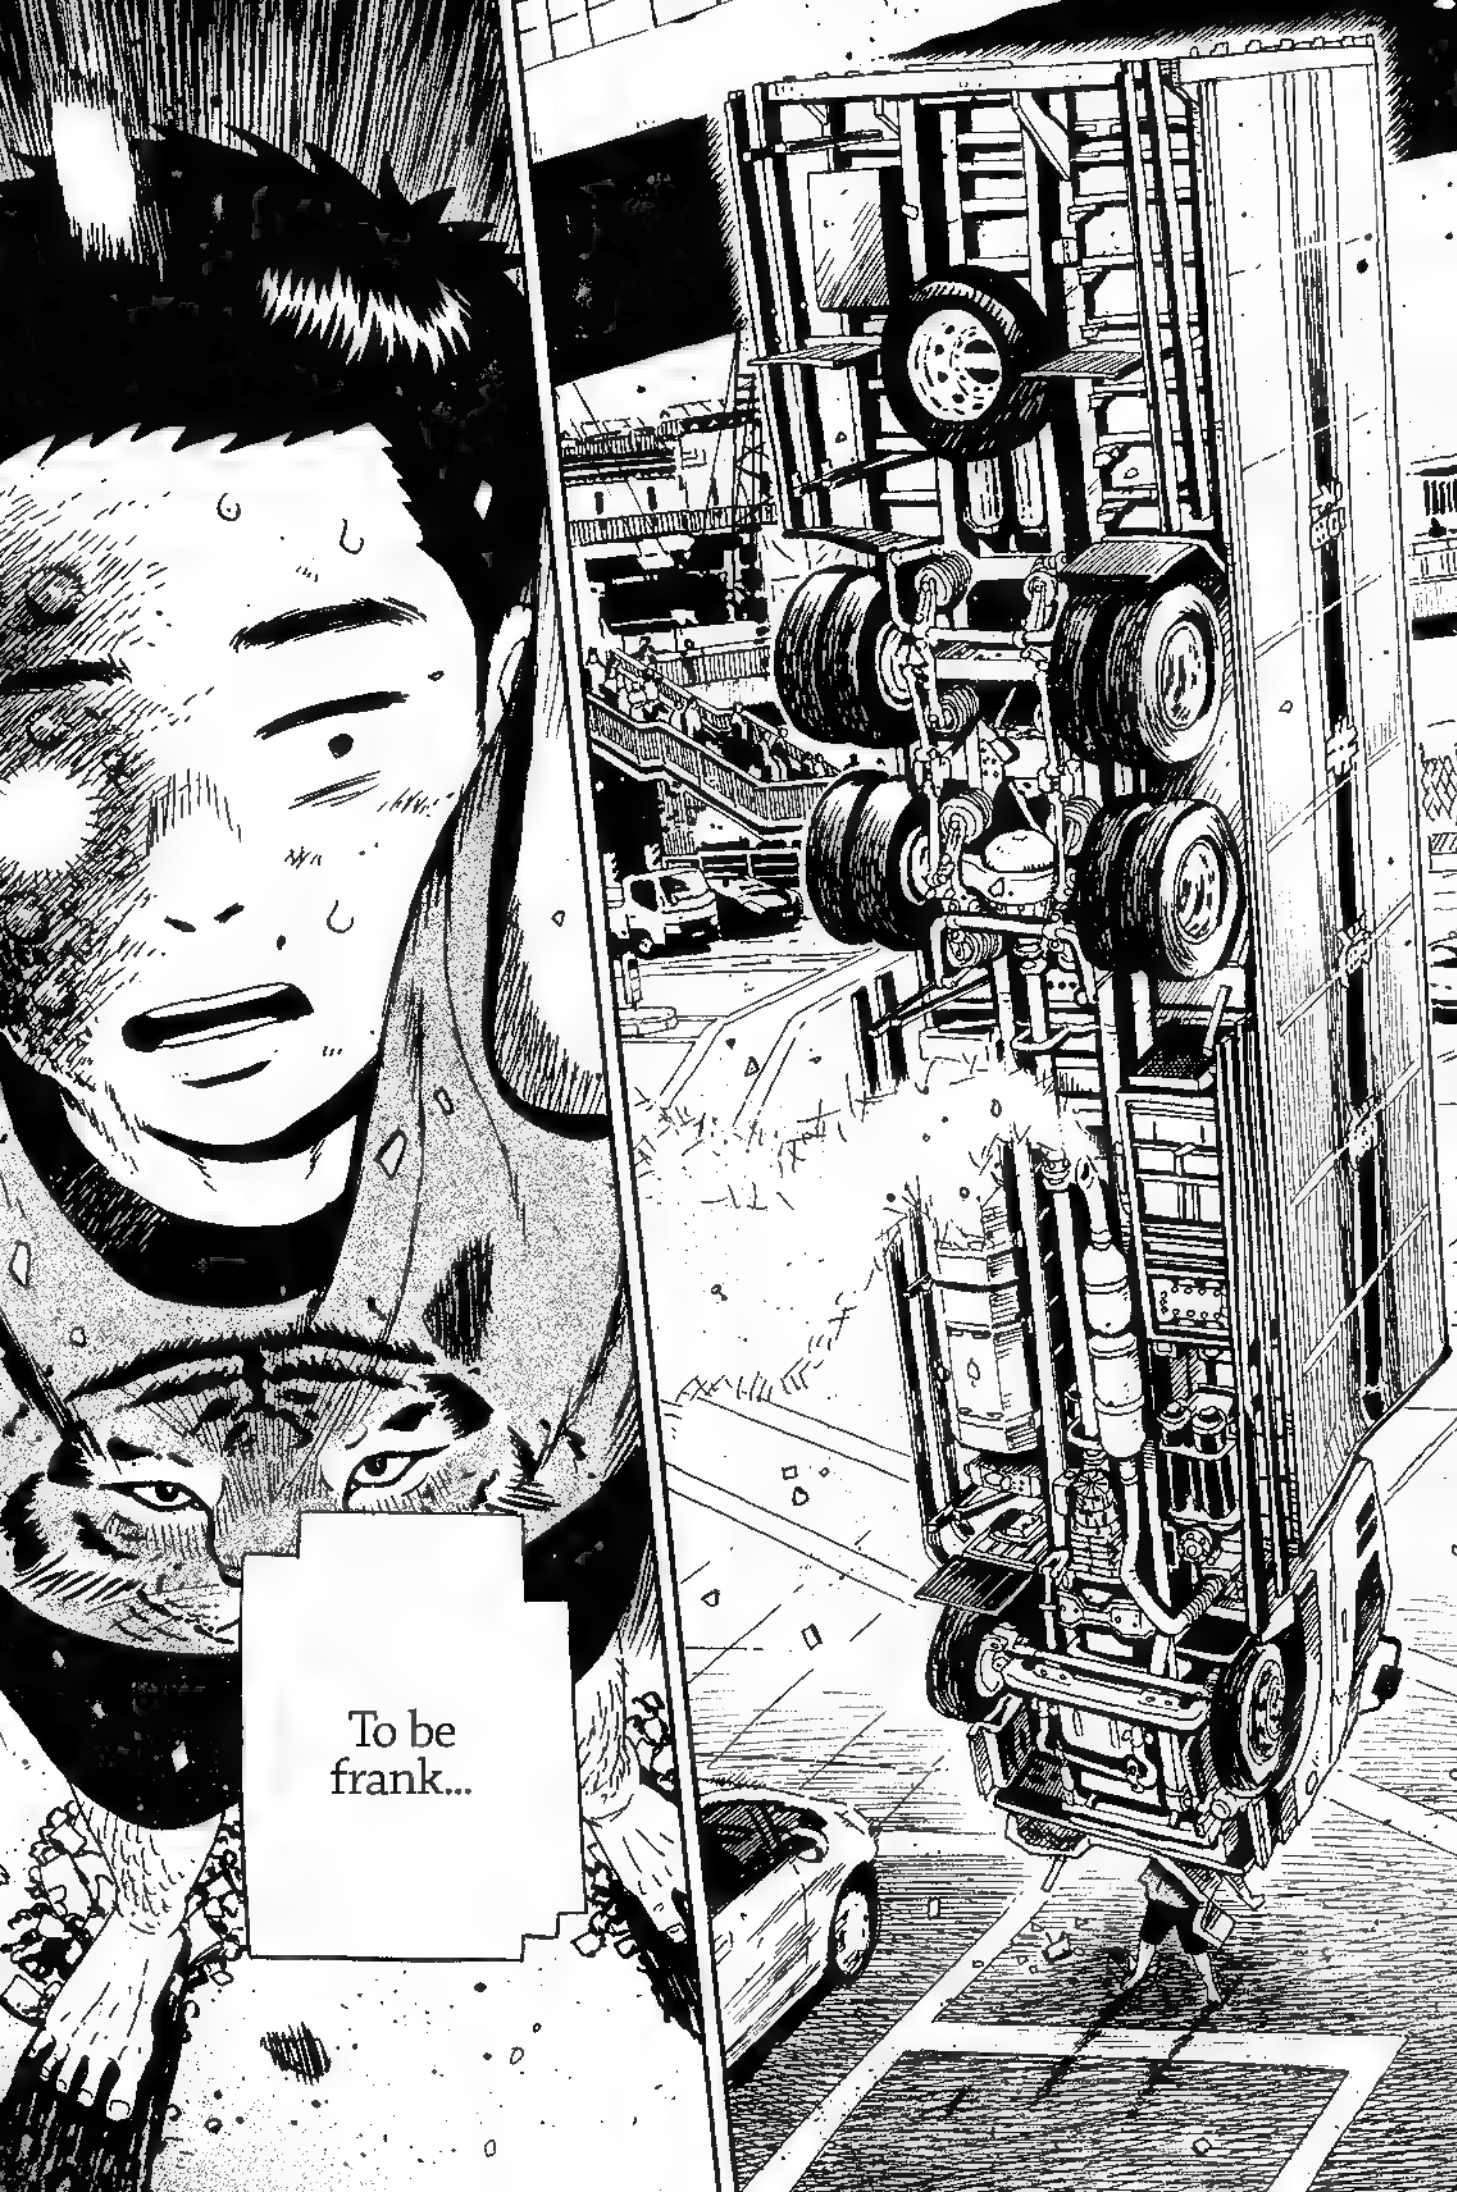
AGAIN?!



To be frank...

Even on our home planet he is one of the most inferior of us.

He is completely worthless. From my point of view...

If even my older brother could adapt,

If he is able to fit in to life on this planet...

That is what you're thinking, right?
Then that will be the time to initiate the "Earth Migration Plan",

THAT GUY

w-WHA...?

ザザザ…

Impressive.

No problem! My thoughts don't leak out like humans' do!

Keep it a secret from your brother, will ya?

We're not going to rush you, but you can't take it easy now, alright?

Right.

Our planet is a small one,

And by our calculations, it's only got a few thousand years left.

Too bright!

YEAH, BUT...

Roger that!

WILL MY BROTHER BE ABLE TO ADAPT?

Translation notes

Fuyunosuke's wears this shirt a lot.
It says 一番 (TL: #1, the best), but also looks like a skateboard jumping over the kanji.

If you can find this shirt online, let me know.

Tanaka is a very generic Japanese last name, and the *-tarou* in Natsutarou and *-nosuke* in Fuyunosuke are very common components of names for boys/men.

Natsu is the word for summer, while Fuyu is the word for winter.

Ameyoko (short for *Ameyayokochou*) is a popular shopping district near Ueno Park, which is where they're at in this chapter.

A common way some companies advertise is to have people hand out packs of tissues with their company's name and information on the package.

It's not a job that pays well, and people generally think of it as a nuisance, so it's an easy job to get.

P'Arc en Ciel is a not-so-subtle reference
to the band *L'Arc~en~Ciel*.
